# An (Intentionally) Crappy Package To Get Yourself Dumped On V-Day

 **Where:** 8462 W. Sunset Blvd. [\[map\]](#), West Hollywood, CA, United States, 90069

Last week we gave you the lowdown on [Valentine's Day](#) deals that we'd actually book. This week, it's time to show you the strange, outrageous and plain cray-cray packages that are out there.

If you're stuck with a grenade this Valentine's Day and you have to flee the scene, the [Grafton on Sunset](#) will help you out with its **Dump 'Em on the Strip** package.

In fact, the hotel offers a how-to guide on the perfect V-Day break-up. Instead of impressing your mate with the required expensive champagne, roses and fancy chocolates, the Grafton will make you strike out with its provided **2 buck Chuck—Trader Joe's finest vintage—stale crackers, microwaveable mac and cheese and what it calls the world's cheapest chocolate.** If you present that to her, she might just dump your behind on the spot.

As far as mood music, weeping whales will be the soundtrack to your unromantic evening. The orcas' crying being piped into your room will make it clear that the misery that is your relationship must end. The Grafton offers that its happening Sunset Strip location will let your newly single-and-ready-to-mingle ex easily find a rebound, at least for the night.

If you need to kick someone to the curb, the package is available through February 14. Prices are available upon request by calling 323-654-4600.
