They've been romantically linked since last summer, and Saturday Britney Spears and beau Jason Trawick had special guests join them at dinner: his parents.

Before heading to L.A.'s Pantages Theatre for a show, the pop star and her former agent had a double dinner date with Trawick's mother and father at the Grafton on Sunset Hotel's Olive Kitchen + Bar.

They dined from about 5:30 p.m. to 7 p.m. on meatballs and margarita pizza, and an onlooker at the restaurant says Spears enjoyed the quality time with his folks.
